## *Loving what we do.*

Virtuoso Doors was founded in 1981, with an ambition to always make the finest doors in the industry. Today, as the team continues to grow, we have built the business to make Virtuoso Doors Britain's favourite door manufacturer.

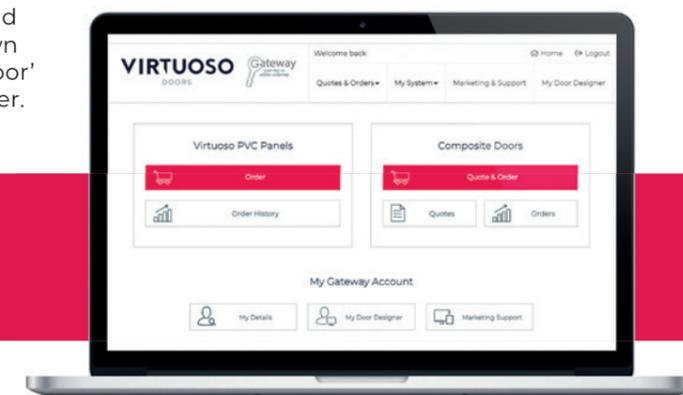

Our state-of-the-art manufacturing facility in Gateshead has the capacity, innovation and expert teams to ensure we continue to provide the finest selection of residential doors on the market. Our sales support, technical advice and guidance and on-going customer care from order placement to delivery means that we are a partner that you can trust.

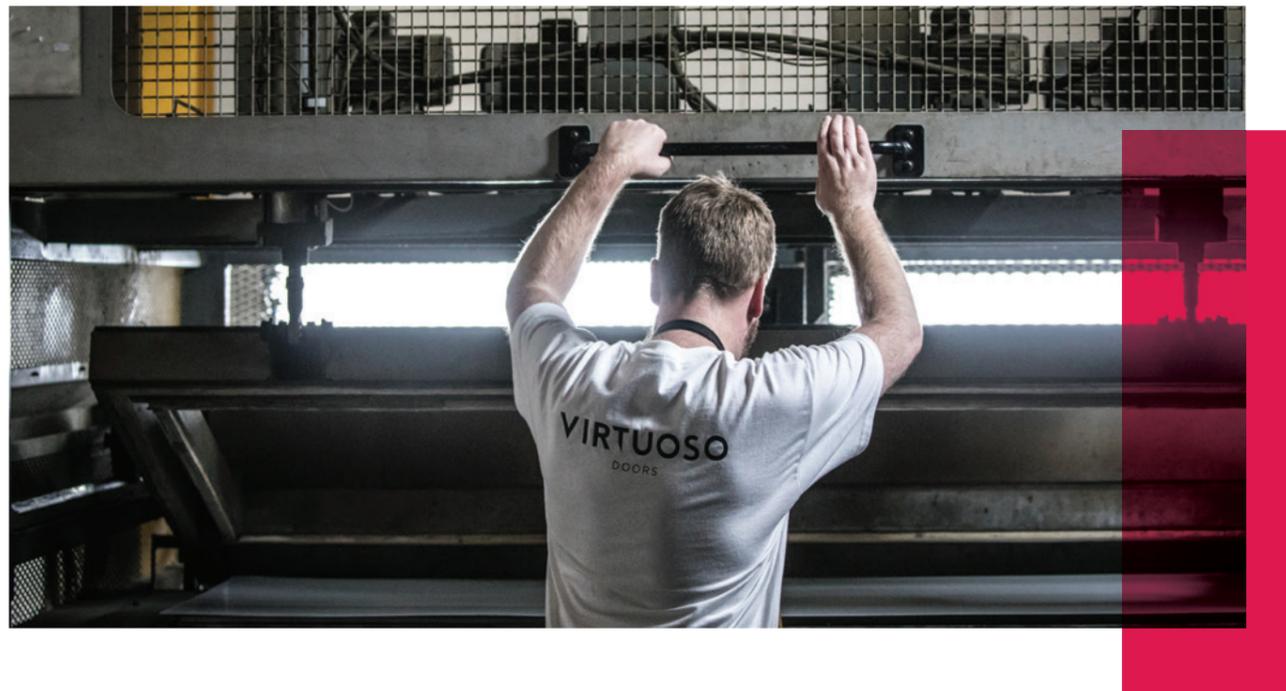

### **The Gateway to manage your account and ordering**

The Virtuoso Gateway is a quick and simple online tool where you can order your customer's new door. You can access the Gateway twenty-four hours a day, seven days a week. Getting started is easy, just set up a Virtuoso Trade Account, and once registered you will have access to your own dashboard, where you can use the 'design-a-door' tool, generate instant quotes, and place an order.

Simply contact our Sales Team on **0191 410 9333** or visit **virtuoso-doors.co.uk** to set up a Trade Account.

# Panel Styles

Introducing our collection of high quality PVCu doors, individually created to complement any home.

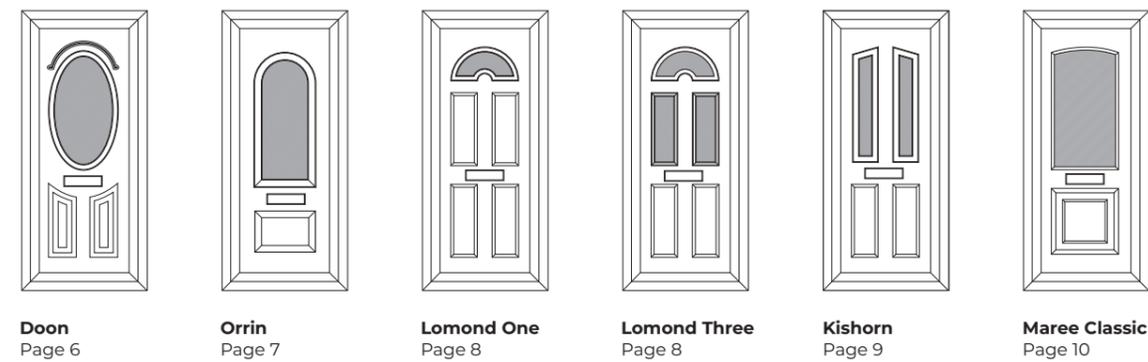

From traditional to modern, we have a door panel to fit right in, with styles to suit every type of property.

The perfect combination of cutting-edge precision engineering, the highest quality PVCu and our expertise means that Virtuoso PVCu door panels have incredible accuracy, stunning detailing and provide unrivalled quality.

And they'll look sensational too for years to come, with only the minimum of maintenance.

Manufactured using state of the art techniques and materials, our doors have outstanding acoustic and thermal qualities and built-in security features for complete peace of mind.

Each door within the collection is custom built with a choice of glazing options. Browse through the following pages and discover the combinations possible with our unrivalled collection of decorative, coloured, bevel, Georgian bar, classic lead, sandblasted (etched) and resin bevel designs.

# Colours

## Laminated Colour Options

The 'Superior' colour range is a unique and exclusive collection of weatherable, durable and scratch resistant foiled PVC coloured options. The coloured foils are laminated onto the PVC substrate during the extrusion process and produce a permanent bond between the substrate and decorative foil.

# Glass Collection

## Lead & Film

This hand-applied technique replicates the look of stained glass windows.

## Glass Bevels

A combination of hand-crafted glass bevels and lead added to a backing glass of your choice.

## Etched Glass

Beautiful designs using the latest technology to reproduce what would have originally been manufactured using a sandblasting process.

## Resin Bevels

We use the latest technology to create complex and delicate designs exclusive to this process.

## Glazing Bar

This process incorporates PVC or aluminium bars encapsulated within the double glazed unit ensuring ease of cleaning.

## Glass Tiles

These designs incorporate kiln fused glass tiles or sparkling bevels on a sandblasted pane.

## Triple Glazed

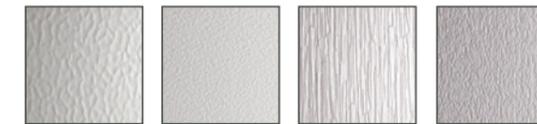

Hand-assembled triple glazed units provide superior heat and sound insulation for your door.

## Lead Finishes

Full design and reproduction service available, prices on request. N.B. GGF guidelines apply.

Lead is a natural product which when exposed to the environment will undergo certain atmospheric transformations. This is perfectly natural and will eventually settle down to take on a natural weathered lead appearance.

## Backing Glass

Minster

Contora

Lead is a natural product, which when exposed to the environment will undergo atmospheric transformations such as oxidisation. This is perfectly natural and will settle down to take on a natural weathered lead appearance.

Colours are as accurate as the printing process allows. Other laminated foil colours available on request. NB. It is highly recommended that laminated woodgrain products should not be installed in south-facing locations.
