

MADISON

Introducing Madison solid wood shutters

Madison showcases a stunning collection of sustainable solid wood shutters.

Merging minimalist décor along with exquisite craftsmanship. The ultimate in interior luxury.

Madison Shutters are the perfect edition to the Santa Fe collection and add grandeur to any space. The finest bespoke shutter.

Craftsmanship

A passion for precision, quality craftsmanship and attention to detail is at the core of the Madison Collection.

Each shutter is handcrafted to the highest quality with sustainable wood to create real authenticity.

*natural
& timeless*

Aesthetics

The beauty of nature's woodgrain maintains elegance with a smooth, fine grain texture.

Keeping the exquisite characteristics of the real wood core while being able to choose from a wealth of finishes tailor made for you. Madison Shutters create enduring elements throughout your home, complementing any colour pallet or interior.

Craftman

A passion for precision, craftsmanship and attention to detail is at the core of the Madison Collection.

Each shutter is handcrafted from the highest quality with sustainable wood to create real authentic

Revel in the warmth of wood

Madison Shutters combine luxury and warmth.

The solid wood core of each shutter acts as a natural thermal insulator. The cellular structure of wood grain creates a barrier against cool air helping retain heat more effectively. The framed shutter further acts as a barrier to cool air entering a room when the shutter panels are closed.

White Madison shutters can further aid interior temperature control by reflecting heat in the summer months, keeping the interior cooler.

Choose your design

Transform your home by choosing a shutter configuration to ensure every window can be impeccably dressed.

Full Height, Tier on Tier, Café Style as well as shaped and gliding track are available in two blade designs.

Choose from array of design to create a sophisticated look to suit your window and design requirements.

- Full height
- Tier on tier
- Café Style
- Gliding Track
- Shaped

Full height

Designed to dress the full-height of a window, offering complete privacy.

Tier on tier

Two sets of shutters, allow you to control the top and bottom sections independently

Cafe style

Allow natural light to flow into the room while maintaining privacy as the lower sections remains covered.

Gliding track

Shutter panels glide effortlessly across a discreet track system facilitating smooth operation. Perfect for larger windows and doors.

Shaped

Dress shaped windows beautifully with a large selection of options to choose from.

Choose your size

Madison presents various louvre sizes to effectively transform your shutter design.

Adjust louvres to your required angle for optimum lighting control. Close all louvres to keep light to a minimum or enable light to stream through open louvres and panels.

63mm

76mm

89mm

114mm

Choose your louvre profile

Every element of your handcrafted Madison shutter is meticulously considered.

Choose the finer details and finishing touches to complete your tailored piece of interior craftsmanship.

Elliptical

The contoured Elliptical Blade is offered in four sizes. The gentle curve front to back leaves timeless and traditional finish.

simplicity & functionality

Urban

The Urban blade creates a linear and contemporary look with superior closure, achieving enhanced light control. The unique blade achieves a minimal aesthetic and is available in three sizes.

Finishes

Choose from a delectable selection of painted colours and opulent wood stains

13 painted colours including crisp whites, creams, and enticing greys to create a striking shutter.

The Madison offering extends to 12 natural wood tones highlighting the beauty of nature's woodgrain. Ranging from Light, Golden tones to Rich dark wood shades.

Custom colored shutters can be requested matching Farrow and Ball, Little Greene and Dulux paints enabling your shutter to be as unique as you are.

Ecologically friendly

Every Madison shutter is crafted for longevity with consideration to world around us.

Carefully chosen for its sustainable qualities, Paulownia is the perfect hardwood giving you peace of mind when investing in your solid wood shutters.

Luxury is engrained in the Madison narrative. Paulownia wood, known to be one of the fastest growing species of hardwood making it a sustainable, renewable source of timber.

Guaranteed longevity of each shutter is predominant within the Madison Collection. Designed for the conscious homeowner who invest in timeless, interior pieces. Handcrafted to create classic elegance with an evident connection to the elements of nature.
